Section 1. Debt Service Reserve Fund.

(a) There is established and maintained a Debt Service Reserve Fund held by the Lender. The deposits required pursuant to this Exhibit shall be automatically debited from the Borrower Deposit Account along with Borrower's regularly scheduled payments of principal and interest. The amount allocated to the Debt Service Reserve Fund shall be administered and invested by the Lender and allocated to the Borrower (the "Debt Service Reserve Fund"). Amounts therein shall secure payment to Lender of Loan repayments payable under the Loan Documents. The regularly scheduled deposits into the Debt Service Reserve Fund shall be in an amount, as determined by Lender, so as to accumulate over five (5) years an amount equal to the highest amount of Loan repayments by Borrower in any fiscal year as shown in the Loan repayment schedule, which Borrower and Lender agree is the initial amount of the debt service reserve requirement (the "Debt Service Reserve Requirement") for the Loan. Initially, the amount of the Debt Service Reserve Requirement and the amount of the required periodic build up are set forth in Exhibit A. The amount of the Debt Service Reserve Requirement and the amount of the required periodic build up will be adjusted to reflect any adjustment of the Loan repayment schedule.

(b) For so long as the Loan is outstanding, if on any Interest Payment Date or Principal Repayment Date Borrower has not paid to Lender an amount equal to the amount of principal and interest due on the Loan pursuant to this Agreement, Borrower hereby consents and directs the Lender to transfer, the amount of the deficiency from the Debt Service Reserve Fund to the payment of any amounts due. Borrower shall then cause to be delivered to Lender for deposit to the Debt Service Reserve Fund after provision is made for payment of amounts which have become due under this Agreement an amount sufficient to cause the amount credited to the Debt Service Reserve Fund to be at least equal to the amount then required to be on deposit therein.

(c) The Lender may commingle funds of Borrower with other funds but shall keep adequate and accurate records of moneys and investment earnings on amounts credited to the Debt Service Reserve Fund. Borrower shall pay the reasonable fees and charges of the Lender for administering the Debt Service Reserve Fund from investment earnings on amounts credited to the Debt Service Reserve Fund in an amount not to exceed 10% of investment earnings. The Lender will not assess any additional fees and charges in connection with administering the Debt Service Reserve Fund.

(d) Not less than annually, Lender shall deliver to Borrower an accounting of the Debt Service Reserve Fund, indicating the principal amount therein, and net annual investment earnings (investment earnings less administrative costs and fees pursuant to Clause (c) of this Section) (the "Net Earnings"). Net Earnings shall be applied not less than annually as a prepayment of principal pursuant to Subsection (b) of Section 1 of the Standard Terms and Conditions.

(e) When all amounts payable by Borrower under this Agreement have been paid in full, the Lender shall transfer to Borrower all monies and Net Earnings credited to the Debt Service Reserve Fund.

Section 2. Replacement Reserve Fund.

(a) Borrower shall establish a separate account to secure payment to Lender of Loan repayments payable under the Loan Documents (the "Replacement Reserve Fund"). The Replacement Reserve Fund shall be held and administered by the Borrower in an account which is acceptable to Lender pursuant to the provisions of the Agreement. Borrower shall cause to be deposited on or before the first business day of each month commencing with the sixty-first (61st) month following the month in which the first Advance occurs amounts at least equal to one-twelfth (1/12th) of twenty percent (20%) of the highest amount of Loan repayments by Borrower in any fiscal year as shown in the Loan repayment schedule. Initially, the amount of the required monthly deposit and the aggregate annual deposits are set forth in Exhibit A. The amount of the required monthly deposit will be adjusted to reflect any adjustment of the Loan repayment schedule.

(b) For so long as the Loan is outstanding, if no Event of Default, and no event or occurrence which, with the giving of notice or the passage of time or both, would become an Event of Default (an "Unmatured Event of Default"), has occurred and is continuing, Borrower from time to time may withdraw moneys from the Replacement Reserve Fund and apply the moneys withdrawn for one or more of the following purposes: (i) for the acquisition of new, or the replacement of obsolete or worn out, machinery, equipment, furniture, fixtures or other personal property for the drinking water system provided that the property is depreciable; (ii) for the performance of repairs with respect to the drinking water system which are of an extraordinary and non-recurring nature provided that the property is depreciable; (iii) for the acquisition or construction of additions to or improvements, extensions or enlargements to, or remodeling of, the drinking water system provided that the property is depreciable; and/or (iv) to make payments to Lender on the Loan.

(c) For so long as the Loan is outstanding, if on any Interest Payment Date or Principal Repayment Date Borrower has not paid to Lender an amount equal to the amount of principal and interest due on the Loan pursuant to this Agreement, and the Debt Service Reserve Fund does not hold sufficient moneys to cover the deficiency, Lender will direct the Borrower to transfer, and Borrower hereby consents to transfer, the amount of the deficiency from the Replacement Reserve Fund to Lender.

(d) The Lender shall require that the Borrower shall keep adequate and accurate records of moneys, investments and investment earnings on amounts credited to the Replacement Reserve Fund. Lender shall have the right to audit the records of the Borrower insofar as they pertain to the Replacement Reserve Fund.

Section 3. Debt Service Reserve Fund and Replacement Reserve Fund as Collateral.

(a) Grant of Security Interest. As collateral security for the prompt and complete payment when due of all obligations of the Borrower to the Lender under the Agreement and the Note and all other obligations and liabilities of the Borrower to the Lender, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter incurred, arising under, out of, or in connection with, the Agreement or any of the Loan Documents (the "Obligations"), Borrower has granted, bargained, sold, assigned, pledged, and set over and by these presents does hereby grant, bargain, sell, assign, pledge, transfer and set over unto the Lender, and its successors and assigns, all of the Borrower's right, title and interest in and to any amounts held or deposited in the Debt Service Reserve Fund and in the Replacement Reserve Fund (the "Pledged Funds").

(b) Terms and Conditions.

(i) The Debt Service Reserve Fund and all amounts deposited therein shall be held in the sole dominion and control of the Lender and shall be administered by the Lender as a collateral account for the benefit of the Lender, and Borrower shall have no rights or powers with respect to, or control over, the Debt Service Reserve Fund or any part thereof. Borrower's sole right with respect to the Pledged Funds in the Debt Service Reserve Fund shall be as provided in the Agreement.

(ii) From and after the occurrence and during the continuation of an Event of Default, Lender may, in the sole and absolute discretion of the Lender, apply the Pledged Funds in the Debt Service Reserve Fund, and, if there are insufficient Pledged Funds in the Debt Service Reserve Fund, in the Replacement Reserve Fund, to the Obligations in the following order: (i) all outstanding costs, expenses, fees and late charges due the Lender, (ii) interest at the rate or rates specified in the Loan Documents and (iii) the principal amount of the Obligations. (b) The Borrower covenants that it will not apply, or permit the application of, amounts on deposit in, or required by the provisions of this Agreement to be on deposit in, the Debt Service Reserve Fund and/or the Replacement Reserve Fund except in accordance with the provisions of this Agreement.

(c) Borrower hereby represents and warrants to Lender, effect on the date of the Agreement and on the date of each deposit of Pledged Funds to the Debt Service Reserve Fund and the Replacement Reserve Fund, that:

(iii) No security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or part of the Pledged Funds is on file or of record in any public office except such as may have been filed by the Borrower in favor of the Lender.

(iv) This Agreement constitutes a valid and continuing first lien on and first security interest in the Pledged Funds in favor of the Lender, prior to all other liens, encumbrances, security interests and rights of others, and is enforceable as such as against creditors of and purchasers from the Borrower.

(d) Without the prior written consent of the Lender, the Borrower hereby covenants and agrees that it will not sell, assign, transfer, exchange or otherwise dispose of, or grant any option with respect to, the Pledged Funds, nor will it create, incur or permit to exist any pledge, lien, mortgage, hypothecation, security interest, charge, option or any other encumbrance with respect to any of the Pledged Funds, or any interest therein, except for the security interest provided for by the Agreement.

(e) Borrower hereby covenants and agrees that it will defend Lender's right, title and security interest in and to the Pledged Funds against the claims and demands of all persons whomsoever except to the extent, which arise out of the willful misconduct or gross negligence of the Lender.

Attention: Executive Director

Re: Loan (the "Loan") from Water Infrastructure Finance Authority of
Arizona ("Lender") to Rancho Del Conejo Community Water Co-op
("Borrower")

Ladies and Gentlemen:

We have been requested to provide our opinion concerning certain matters as required by the Loan Agreement (defined below). Capitalized terms used and not otherwise defined in this letter have the meanings given them in the Documents.

For purposes of this opinion letter, we have examined such questions of law and fact as we have deemed it necessary or appropriate, and have examined the following documents (collectively, the "Documents"):

- (a) the Loan Agreement between Lender and Borrower;
- (b) the Promissory Note executed by Borrower and payable to Lender;
- (c) Continuing Security Agreement executed by Borrower;
- (d) UCC-1 Financing Statement executed by Borrower;
- (e) The Articles of Incorporation and Bylaws of Borrower;
- (f) Evidence of action by the Board of Directors of Borrower with respect to Loan and the Documents; and

- (g) Evidence of the approval by the Arizona Corporation Commission of the borrowing represented by the Loan and of the rates, fees and charges of Borrower as currently in effect.

Based upon the foregoing, and subject to the qualifications and limitations set forth below, it is our opinion that:

1. Borrower is a corporation duly organized, validly existing, and in good standing under the laws of the State of Arizona.
2. Borrower has the requisite corporate power and authority to own and operate its properties and assets, to carry out its business as such business is being conducted, and to carry out the terms and conditions applicable to it under the Documents. The execution, delivery and performance of the Documents by Borrower have been duly authorized by all requisite corporate action on the part of Borrower and the Documents have been duly executed and delivered by Borrower.
3. Based upon our knowledge, representations of Borrower in the Documents and in certifications made to us, during our examination of the records of the filings in the Superior Court of the State of Arizona and the United States District Court for the District of Arizona, there is no pending or overtly threatened litigation or other legal proceedings against Borrower.
4. The execution and delivery of the Documents by Borrower and consummation by Borrower of the transactions contemplated by the Documents will not conflict with or result in a violation of any applicable law or rule affecting Borrower.
5. No consent, approval, authorization or other action by, or filing with, any federal, state or local governmental authority is required in connection with the execution and delivery by Borrower of the Documents and the consummation by Borrower of the transactions contemplated by the Documents which has not been obtained or made.
6. The execution and delivery of the Documents by Borrower and consummation by Borrower of the transactions and contemplated by the Documents will not conflict with nor result in a violation of Borrower's Articles of Incorporation or Bylaws.
7. Based solely upon our knowledge and a review of judgments, orders and decrees disclosed by Borrower in certifications to us and by a search of the records of the Superior Court of Arizona and the United States District Court for the District of Arizona for the past five years, the execution and delivery of the Documents by Borrower and consummation by Borrower of the

transactions contemplated by the Documents will not conflict with nor result in a violation of any judgment, order or decree of any court or governmental agency to which borrower is a party or by which it is bound.

8. Based solely upon our knowledge and a review of those agreements disclosed to us by Borrower, the execution and delivery of the Documents by Borrower and consummation by Borrower of the transactions contemplated by the Documents will not conflict with nor result in a violation of any contract, indenture, instrument or other agreement to which Borrower is a party or by which it is bound.
9. The Documents constitute legal, valid and binding obligations of Borrower enforceable in accordance with their terms.
10. The Security Agreement creates a valid security interest in the collateral described therein, to the extent that Borrower has rights in the collateral, but our opinion is limited to collateral in which a security interest may be granted pursuant to Article 9 of the Uniform Commercial Code as adopted in the State of Arizona. All action necessary to perfect such security interest in collateral in which a security interest may be perfected by filing has been taken. For your information, it is necessary to file a continuation statement within six months prior to a date six years from the original date of filing.

In rendering the foregoing opinions, we have assumed:

- i. The genuineness of signatures not witnessed, the authenticity of Documents submitted as originals, and the conformity to originals of Documents submitted as copies;
- ii. The legal capacity of all natural persons executing the Documents;
- iii. That the Documents accurately describe and contain the mutual understanding of the parties, and that there are no oral or written statements or agreements that modify, amend, or vary, or purport to modify, amend, or vary, any of the terms of the Documents;
- iv. That Borrower owns all of the property, assets and rights purported to be owned by it;
- v. That Borrower timely renewed its term, as authorized by Article V of the original Articles of Incorporation, which we were not able to independently verify;
- vi. That you are satisfied with the consent provided by the United States Department of Agriculture, which has a pre-existing Security Agreement,

Real Estate Deed of Trust and Assignment of Income and Assessments in connection with a \$266, 300.00 Promissory Note executed by Borrower to the United States of America that has not been subjugated to the Loan.

- vii. That you will receive no interest, charges, fees or other benefits or compensation in the nature of interest in connection with the transactions contemplated by the Documents other than those that Borrower has agreed in writing in the Documents to pay;
- viii. That the UCC-1 Financing Statement will be filed promptly and properly in the appropriate governmental offices; and
- ix. The truth of the representations of Borrower in the Documents and in certifications made to us.

The opinions set forth above are subject to the following qualifications and limitations:

- (a) The enforceability of the Documents may be subject or limited by bankruptcy, insolvency, reorganization, arrangement, moratorium or other similar laws relating to or affecting the rights of creditors generally;
- (b) The enforceability of the Documents is subject to general principles of equity; and
- (c) The enforceability of the Documents is further subject to the qualification that certain waivers, procedures, remedies and other provisions of the Documents may be unenforceable under or limited by the law of the State of Arizona; however, such law does not, in our opinion, substantially prevent the practical realizations of the benefits intended by the Documents.

We are expressing no opinion as to the title to any property described in, or the priority of any lien or security interest created by, any of the Documents.

We are qualified to practice law in the State of Arizona, and we do not purport to be experts on, or to express any opinion concerning, any law other than the law of the State of Arizona and applicable federal law.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and we assume no obligations to revise or supplement this opinion if such law be changed by legislative action, judicial decision or otherwise.

This opinion is being furnished to you solely for your benefit and only with respect to the transactions contemplated by the Documents. Accordingly, it may not be relied upon by or quoted to any person or entity without, in each instance, our prior consent.

Very truly yours,

William P. Sullivan

Any payments received by Lender after any Event of Default shall be applied to the amounts specified in this paragraph in such order as Lender may, in its sole discretion, elect.

(d) Late Payments. If any payment of interest and/or principal is not received by Lender when such payment is due, then, as additional remedies, (a) a late charge of six percent (6%) of the amount due and unpaid will be added to the delinquent amount for any payment past due in excess of fifteen (15) days and (b) all past due payments of principal and/or interest shall bear interest from their due date until paid at the annual rate equal to the sum of (i) six percent (6%) and (ii) the Interest Rate specified in Exhibit A, payable on demand.

The Loan Documents contain the entire understanding and agreement of Lender and Borrower and supersede all prior representations, warranties, agreements, arrangements, and understandings. No provision of the Loan Documents may be changed, discharged, supplemented, terminated, or waived except in a writing signed by Lender and Borrower. No waiver of any breach or default shall be deemed a waiver of any breach or default occurring thereafter or a waiver of the time of the essence provision.

Section 10. Parties And Binding Effect. This Agreement is made solely between Lender and Borrower, and no other Person shall have any rights hereunder or be a third-party beneficiary hereof. Section 14. No Waiver. No disbursement of proceeds of the Loan shall constitute a waiver of any conditions to Lender's obligation to make further disbursements nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding Lender from thereafter declaring such inability a default under this Agreement.

Section 15. Lender Approval Of Instruments And Parties. All proceedings taken in accordance with transactions provided for herein; all surveys, appraisals and documents required or contemplated by this Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by

Section 22. Time Of The Essence. Time is of the essence with regard to each provision of this Agreement as to which time is a factor.

Section 23. Notices And Demands. All written demands and notices by Lender or Borrower relating to the Loan Documents shall be served by certified or registered mail, return receipt requested. If at any time or from time to time, whether before or after payment and performance of the Obligations, all or any part of any amount received by Lender in payment of, or on account of, any Obligation is or must be, or is claimed to be, avoided, rescinded, or returned by Lender to Borrower or any other Person for any reason whatsoever (including, without limitation, bankruptcy, insolvency, or reorganization of Borrower or any other Person), such Obligation and the Liens on property, and rights to property that were the

collateral at the time such avoided, rescinded, or returned payment was received by Lender shall be deemed to have continued in existence or shall be reinstated, as the case may be, all as though such payment had not been received.

Borrower agrees to indemnify, hold harmless, and on demand defend Lender and its directors, officers, employees, agents, auditors, counsel, investment committee members and representatives for, from, and against any and all damages, losses, liabilities, costs, and expenses (including, without limitation, costs and expenses of litigation and reasonable attorneys' fees) arising from any claim or demand in respect of this Agreement, the Loan Documents, the collateral provided for herein, or the transaction described in the Loan Documents and arising at any time, whether before or after payment and performance of the Obligations. The obligations of Borrower and the rights of Lender under this Section 26 shall survive payment and performance of the Obligations and shall remain in full force and effect without termination.

(b) Without the prior written consent of Lender, Pledgor hereby covenants and agrees that it will not sell, assign, transfer, exchange or otherwise dispose of, or grant any option with respect to, the Pledged Funds, nor will it create, incur or permit to exist any pledge, lien, mortgage, hypothecation, security interest, charge, option or any other encumbrance with respect to any of the Pledged Funds, or any interest therein, except for the security interest provided for by this Cash Collateral Agreement.

(c) Pledgor hereby covenants and agrees that it will defend Lender's right, title and security interest in and to the Pledged Funds against the claims and demands of all persons whomsoever except to the extent which arise out of the willful misconduct or gross negligence of Lender.

6.3 Giving of notice of a sale under the Uniform Commercial Code or any other action by any Person, other than Secured Party, to realize upon any of the Collateral under any Lien or Encumbrance, regardless of whether such Lien or Encumbrance is a Permitted Exception and regardless of whether junior or senior to the security interest granted herein.

6.4 Any Transfer occurs.

6.5 Any Lien or Encumbrance on any or all of the Collateral, other than the Permitted Exceptions, is created or exists, whether junior or senior to the security interest herein.

Obligor agrees that any such notice shall be sufficient if given at least ten (10) days prior to such sale or other disposition. Secured Party may be a purchaser at any sale. Secured Party may pay the purchase price at any sale by crediting the amount of the purchase price against the obligations.

8. Application Of Proceeds. All Collateral and all proceeds of Collateral received by Secured Party, before or after an Event of Default, will be applied by Secured Party to the Obligations, whether or not due, in such order as Secured Party shall determine in its absolute and sole discretion, subject to any requirements of law. Any Collateral and any balance of such proceeds remaining after payment of the Obligations in full will be paid to Obligor, its successors or assigns, or as the law or a

court of competent jurisdiction may direct. Any proceeds of Collateral in the form of a check shall be credited against the Obligations only upon the expiration of such period of time after receipt thereof by Secured Party as Secured Party determines is reasonably sufficient to allow for clearance or payment thereof. Any other proceeds of Collateral will be credited against the Obligations only upon conversion into cash and receipt of such cash by Secured Party. Each such credit shall, however, be conditional upon final payment to Secured Party of the item giving rise to such credit.
